

### Stanford Achievement Test Results

| Grade | Expected Grade Equivalence (nationally) | KCS Students             |                                       |   |
|-------|---|--------------------------|---------------------------------------|---|
|       |   | Actual Grade Equivalence | # of months ahead of national average | Average Stanine (1-3 = below average; 4-6 = average; 7-9 = above average) |
| K-5   | 0.7                                     | 2.0                      | +13 (1+ year)                         | 8   |
| 1     | 1.7                                     | 3.0                      | +13 (1+ year)                         | 7.5   |
| 2     | 2.7                                     | 5.3                      | +26 (2 ½ years)                       | 7   |
| 3     | 3.7                                     | 5.3                      | +16 (1 ½ year)                        | 6.5   |
| 4     | 4.7                                     | 5.4                      | +7 ( ½ year)                          | 6   |
| 5     | 5.7                                     | 8.0                      | +23 (2+ years)                        | 6.5   |
| 6     | 6.7                                     | 9.9                      | +32 (3 years)                         | 7   |
| 7     | 7.7                                     | 10.2                     | +25 (2 ½ years)                       | 6.5   |
| 8     | 8.7                                     | 11.3                     | +26 (2 ½ years)                       | 6.5   |
